

Agudant Holmes took me to the Alhambra Theatre one evening since we have been in Phila. There are seen four or five theatres in this city & any number of free concerts almost every Beer Saloon has a free concert every evening I have not disgraced myself as much as to attend one of them yet.

My Health is generally good but I feel somewhat discouraged and do not know hardly what course to pursue here I am only earning \$13.00 per month unless I am more more fortunate in my extra pay than before and the prospects are that the next six months will be the same if I remain and if I come home I have nothing to start in business again with I feel more for the future than the present. but I am willing to put my trust & confidence in the Lord & be governed by such circumstances as he in his good providence shall direct me by.

Keep Ada & accept a kiss for your self
and Believe me yours in love
