

P.S. You will send all letters hereafter to

Philadelphia
Care Capt J. C. Boettens
until I give you further directions ..

I think that I would enjoy camp life if I
could have you near me all the time
I have got to do my own washing after this
unless I can collect something that I have
lent out. Did you carry my clothes or any of
them to Ohio with you I wish that I had of
sent my shirts all of them home in my valise
as they are a bother to me to carry around and
I do not wear them at all.

P.S. We will not leave camp until Monday
next at 8 1/2 o'clock A.M.
