

My dear Mother I am very glad you has no fuss with any one
Dolly says Tell you she has not forgot how to quarrel yet
says you must make haste & come home, They all says They never did
want to see any person In all There times as bad as They
want to you I am says please Tell Miss To come home. She has
bin gone long enough. Nancy says give you 2 days let. a long
for her & kiss the Capt, a hundred & one Times for ^{the} ^{days}
give Miss Joe all my love, It would take 2 or 3 pages to write all
they tell me, here Is better bringing up milly says Tell Miss Joe
she Is the smartest letter negro she ever did see - she Is smart
she talking will try to say any thing you tell her. Nancy Adeline
sends love to Bernice, Sally, Liz, Sarah, Lucy, Camilla, milly says nice
must answer Frances letter - well I believe I am half done with the ^{high}
altho I have told more than half they have told me It is state
Ellens eye, Is better think now It will get well look better
Depe & Johnny were very proud of their letter. Jimmy says
he will write you a letter as soon as he thinks he can write
a little better. They will catch rabbits & cats many many of them
we had a letter from Johnny not long since Benjamin was
much better heard no name for the babe
The girls were up to Maloney Monday came by the ship on day
all - I am glad you like the Preachers wife - every body
that has seen our Preachers wife likes her I have not seen
yet They say she Is a very Pious lady - I like her
very much It Is getting so dark I can not see
the lines the girls have all gone out walking
or I would have a hundred thing to say for them
so you & Jane may have their love - I am glad
Is & the old gentleman are as kind In their
enquiries about you, as ever - much love to
A - S - & E Mr H & W are Tell Albert has
Haberham grandma loves him & will expect
to see him this summer - Lally has just come
in sends much love says you must kiss Collett
for her please - bless you good bye your Mother
your Pa is well of maralga
