

Remember us to Mr. Powell and family
wishes to visit yet she has not
But said he I dont care any
thing about it well said Father to
Anselm if you dont care I care not
for any of the rest of the and said
that the property was his own and ~~that~~
he had a right to do with it as he saw
fit and referred to Scripture to prove

his position ~~in~~ Chapter 20 & it
it looks like the thirteenth verse I suppose
it is among some of those verses which in
particular I do not know and I do
not know as it makes much difference
you can see what our family have
come to I expect by what Roxana says
that Sylvie has written a letter that
talks loud and plain and that
tells the truth but that does not move
Anselm as he has got all he wanted that
is all the dimes and Father does not
seem to have the least feeling of sympathy
for any of the rest Brother I tell you that
if you were there you would be amazed
to see the change I ask myself has it
come to this Brother I used to think that
whenever of Fathers children were per-
mitted to outlive him would have

great cause to rise up and call him
blessed but Alas how different is
the prospect Ours says that put
into his hands Fathers last will
which he read and in that he gave
it all to Anselm except \$40 to
each of the Boys and now since
he has Decided it he only gives us \$20
