

for Eden. Erie Co. N.Y. - to see
Miss Warren & "her girls" who came
to school from there two years
ago this summer. Their names
were Julia Pyther, Mary Hunting-
ton & Carrie Chapin - lovely
girls those! Such what a delightful
visit I had!! We came home
Tuesday, Oh! how discontented
it makes me - I love Ellington
but I cannot stay here all
my life - time. I wish to go away
to school - I am very anxious
to go to Oberlin this fall - & have
heard some, but I fear, all
to no purpose. Do write me - Will,
all you know about the school.

Mother dislikes to have me
go among entire strangers - but
I would not care, if I could only
go. I almost imagine that I

should be perfectly happy
could I go - & I think a
little homesickness would
do me good - Oh! I'm half
wild with the idea - but yet
I know I can't - at least this
fall - Oh! when shall I!

Do you know whether it is
sickly there (Oberlin) now or not?

I am taking music-lessons
but not making very much
headway I fancy - Miss
Tiffany of Jamestown teaches
gives 24 lessons for 8 dollars.

I want to see you, Will, but
am afraid it will be a long,
long time before I can -
Miss Warren is coming to E. in
a few weeks, to visit - I'm so
glad. If you can overlook this
miserable scrawl - do - and
oblige your friend Mary B.
