

I thought when I commence this Letter  
course and give each a portion but I think  
this Letter my head is getting fuddled and  
to you Sarah may be gratifying to all  
you please and send on line that it go at  
I received her Letter of the 18th April  
that I have received thurs to an now  
adopt a new method of writing and  
just as often as you feel that you was  
old father and to hear what he has to say  
thing just take your pen and sit do  
either of you and just as long as I am able  
send you an answer Direct I wish all  
hear this arrangement and enter in  
here alone I cannot see my children and  
I think it would do me good to converse  
by way of writing Sylvia and John have  
made us quite a visit her health has  
Sylvia has much improved she complains  
do not write to her I wish you would as  
it is your Duty thus to do and keep alive  
relations Do write and write often don't  
cold and indifant it is a strong indica  
are growing cold when we neglect to con  
the warm hearted Christian and see  
Throne of grace and commune with her  
because he Loves him just so with pa  
if we feel a burning <sup>love</sup> to each other we  
will be a priviledge to sit down and co  
by writing thus as my views and as I a  
to it the friends her say when I write  
to her and thus you have them and your  
Father and the Blessing of the Lord be up  
The Children in this dont fail to write yo
