

to Phil this Winter ^{now or soon} and I am shure i shall
be Glad to see her I had a letter from
Rosanna two weeks ago she feel
bad to think you do not write to her
she thinks you have forgotten her
father I wish you would write to her
it would do her so great deal of good
it seems that Herma & Samuel did
not part on very good terms it makes
me feel bad to think there is such feeling
in the families it is no more than I
expected when I was there I see how it
was going and for my part I am glad
they are gone I have not heard one
word how they are getting along if you
know anything about them I wish
you would tell me all about them
father I wish you would tell me what
ever become of elder McConey I have never
heard a word since I left

give my best love to my old friend
Lucinda I shall write to her before long
remember me to all the good friends
my love to Mother and all the family so good
share yourself your unworthy Daughter Sarah
