

To Aurelia Burt

March 17<sup>th</sup> 1850

May happiness be ever thine  
And peace thy steps attend  
Except [sic] this token of respect  
From one that is your friend

Think not tho distant that thou art  
You cant forgotten be  
While memory lives within my heart  
I will remember thee

All golden thoughts all wealth of days  
Truth, Friendship Love surround you  
SO may you smile till life be close,  
And angels hands have crowned you

Where ere you go where ere you stray  
May you with peace be blest  
And every joy attend your ways  
To Ruby's hearts request
